Letter to all Interested Stakeholders

**Re: Commission Investigation into Potential Improvements to its Water Policies  
(Dkt. No.: W-00000C-16-0151)**

Dear Interested Stakeholder:

On May 11, 2016, the Commission opened a docket to study potential improvements to its water policies. Several policy proposals have already been filed in that docket. Additional filings may also be made. On May 19, 2016, the Commission held a Special Open Meeting to initially discuss these proposals.

You are invited to submit comments regarding any or all of the proposed policies. Comments should be filed no later than June 17, 2016, and I encourage you to file your comments earlier, if possible. The Commission plans to hold another Special Open Meeting on June 24, 2016 to further consider and possibly vote on a policy statement that may adopt one or more of the proposed policies. Please check the Commission's website at [www.azcc.gov](http://www.azcc.gov) for the date, time, and location.

Thank you.

Sincerely,
